Inside Housing - December 20/2018

Please read the latest edition of our fortnightly newsletter, *Inside Housing*.

Inside this edition...

- The annual Specialist Homelessness Services Annual Report 2017-18 shows homelessness services remain under pressure.
- Shelter WA welcomes the Labor Party's plan for affordable renting and home ownership in Australia.
- Senator Louise Pratt; Senator for Western Australia and Dr Anne Aly MP; Member for Cowan throw their support behind the Everybody's Home Campaign.

Plus heaps more including a Department of Communities State-wide consultation to inform development of a strategy to reduce family and domestic violence.
